Create a cartoon character.

Trace the shape of your fist or hand and create an animal out of it.

Make flowers out of paper and straws or anything you can find around the house.

Draw a landscape of what is outside a window in your house.

Draw and color a picture using geometric shapes.

Paint or color a picture using only cool colors or warm colors.

Create a 3 dimensional person or animal out of paper cups, string or anything you can find around the house.

Create an emoji that would brighten someone's day.

Do one activity per week... Be creative!... send me a screenshot

Music:

MUSIC CHOICE BOARD K-4

Teach a song from music class to someone at home.

Find something to tap with. Listen to your favorite song and tap along using a steady beat.

Listen to a new song. Walk around the room keeping a steady beat with your feet.

Practice a song from music in a loud voice then a whisper voice. (Forte & Piano)

Play Lucy Locket with someone at home.

Listen to a song you have never heard before. Draw a picture of how it makes you feel.

Using found sounds, (keys, cups, pencils) drum along to a song.

Make up a song about what you are doing at home.

Create a dance to go with your favorite song.

Do two activities per week

MUSIC CHOICE BOARD 5-8

Teach a song from music class to someone at home.

Find something to tap with. Listen to your favorite song and tap along using a steady beat.

Listen to a new song. Walk around the room keeping a steady beat with your feet.

Listen to a song and draw the contour of the melody. When the singer's voice goes up your line goes up and when it goes down your line goes down.

Write 2 rhythms using quarter and eighth notes.

Listen to a song you have never heard before. Draw a picture of how it makes you feel.

Write new lyrics to your favorite song.

Make up a song about what you are doing at home.

Create a dance to go with your favorite song.

Do two activities per week.
