Principal's Corner

Dear Families,

Spring has sprung here at the school! We have several exciting events coming up during the upcoming months and hope that you will be able to join us. Mrs. Hopper is busy working with all of our students in preparation for Fine Arts Night which will be held in May. We are also gearing up for our community 15 year Celebration which will take place towards the end of the school year. We will keep you posted on the date!

Parents, thank you for your cooperation with allergies and illness. This is the time of year that cold and flu strain infections increase. If you have new medications that we need to be aware of, please contact Ms. Chris at the main office or by email at cmiller@thepalmettoschool.org

Please continue following the COVID-19 precautions that were sent to you earlier last week. We will continue with best hygiene practices here at the school as well. If you have any questions, please do not hesitate to contact me. Thank you!

Ms. Chantell Tarver
ctarver@thepalmettoschool.org

5th Grade Science Quiz Bowl Team

Mrs. Downs is coaching her 5th grade District Science Team to be champions! Chandler Dover, Jah Shakur, and Brailyn Durham are working hard on their Ecology and General Science skills to compete in the Rock Hill quiz bowl on March 31st. We will keep you updated on the video link to stream live and watch!

Notes From Mr. B

Hello Palmetto School Family!!

I am excited to see how much our students are growing academically and socially. Please ask your kids what they are learning in class, they have been learning so many interesting things.

Please remember that if you are going to be bringing your child or they will not need transportation that day, to please give me a call or send me a text (803)-415-0358.

Please look out for an e-mail from Ms. Chris concerning our Garden project!!

Thank you for being such a valuable piece to our school!!

Mr. B

Board Meeting- Thurs, March 12, 2020 6pm

Meetings are held the 2nd Thursday of each month at our STEAM center (505 University Drive). Join us to learn about how our school board is hard at work for our school and students!
