

Dear Palmetto School students and parents,

Here are the links for some of the songs that we have been doing in music class this school year.

We don't have to be at school to sing together! 😊

Just click on the YouTube links below or copy and paste the URL into your browser.

Turn up the volume and dance and sing along. You can even practice the cup rhythm with I Got That Rhythm!

Just remember to listen to the woodblock in the video to get the tempo for your cup rhythm.

Stay safe and healthy. I miss you!

Mrs. Kerrin Hopper
