

## A Rewarding Way to Support the Children

The Palmetto School is looking for people with positivity and a passion for our mission to join our board of directors! We have board seats open for 2020 - 2021.

Why join? Board members make a difference at The Palmetto School and in the lives of the Children. Our board of directors guide our strategic direction and our long-term sustainability. Their leadership helps ensure our mission and values and our commitment to equity.

Board members work collaboratively with other members, the executive director and the Community. They are expected to contribute in ways that match their interests, abilities, talents, and connections.

## BOARD MEMBER INTENT FORM

Thank you for your interest in serving on the Board of Directors of the Palmetto School at The Children's Attention Home. Our School is a very special place where students are encouraged to find themselves and to excel academically.

The Board of Directors is responsible for providing for the financial support of the School, providing goals and directions for the School's development, and supporting the Executive Director/Principal in his or her leadership of the School. All of our Board members are volunteers who represent a variety of experiences in our community – education, business, non-profit and service.

Would you please share with us some information about yourself and your interest in serving with us?
