## Principal's Corner

Dear Palmetto School Family,

Spring is here and many wonderful things are "blooming" at The Palmetto School! Enrollment for the 2021-2022 school year has opened and we are excited to welcome back current students and say hello to new students! Please remember that current students must also re-enroll by completing the new school forms for the upcoming school year. A Family Welcome & Tour of the new school location will be announced in the very near future, please stay tuned for additional information within the next newsletter as well our Facebook page. In addition to newsfeed posts, I will hold a Live session to answer any questions that you may have. Please continue reading this newsletter edition for other important announcements and as always, thank you for your continued support!

### Summer Learning & Enrichment Program:

We are in the process of planning our summer school program which will be offered at our new school location. Additional information will be available to you during the next report card period.

### Device Repair/Fees:

Thank you parents for ensuring that all laptops, iPads, and chargers are handled with care and kept in top condition. If you have acquired a fee for damaged items, please remember to contact the school to arrange fee payments. Payment plan options are available, please let us know if you need assistance.

Thank you,  
Mrs. Chantell Tarver-Berry

## Notes From Mr. B

Dear Families,

We have reached the season of state testing! Over the next few weeks, teachers will work with our students on test taking strategies and skills as they prepare for M.A.P., SC Ready, and SC Pass. I will provide a testing schedule to each of you very soon that will indicate the days of each grade level's assessment time.

Also, please remember that if your address has changed for meal deliveries, please contact me with that information. You may call me or email me at [gbaggett@thepalmettoschool.org](mailto:gbaggett@thepalmettoschool.org)  
Thank you!

Mr. B
