Principal's Corner

Dear Palmetto School Family,

Happy New Year to you all! We are excited to begin the 2022 semester of school. This week, 2nd Quarter Report Cards will be mailed home and you will be able to view your child's achievement. This is also the time of year that Retention Recommendations are made if students are not meeting grade level standard. If this has been determined for your child, a Retention Letter will be included with the report card. Teachers are also available to meet with you if you have any questions about your child's performance.

MAP testing scores from the Fall will also be included in the report card mailer. You will be able to review your child's Reading and Math scores. The students are gearing up to take the Winter MAP test next week. We look forward to sending out a Growth Report so that you can once again see your child's progress!

As always, please contact me if you have any questions. I am happy to meet with you! Thank you for your continued support!

Thank you,
Mrs. Chantell Tarver-Berry

COVID-19 Protocols

Please review the following updates for The Palmetto School. This will also be emailed to all families.

POSITIVE EXPOSURE (CLOSE CONTACT):

If your child (or your household) has a close contact positive exposure, a COVID-19 negative test is required along with a 10 day quarantine. Students may return on day 7 with negative results, but must wear a mask days 8-10.

DIRECT EXPOSURE (POSITIVE TEST RECEIVED):

If your child tests positive, a full 10 day quarantine is required. A COVID-19 negative test is required BEFORE the student is permitted to return to school.

*Please also do not send your child to school if he/she has extreme cold or flu symptoms. It is our goal to keep our school safe and healthy!

*Please send all test results to cmiller@thepalmettoschool.org
