Dear Palmetto School Family,

There are nine days remaining in this 2021-22 school year. I would like to thank each one of you for making this first year in our new location a success! From a year and a half of being a virtual learning campus to a safe return this past August, many wonderful things have taken place and we are hard at work planning for great things in the Fall! Thank you all for your support and for choosing our school to enrich the lives of your children. Please continue to read through this newsletter for important dates and announcements.

Thank you,
Mrs. Chantell Tarver-Berry
